## ABOUT US

Established in the year 2006, STEEL CITY HOME is highly engaged in manufacturing, wholesaling, and exporting of steel pipe fittings. The company has carved an unparalleled position in the industry by making relentless efforts to cater to the clients with premium quality fitting components. Our steel bends are widely known for their sturdiness, precise dimension, durability, finish, and resistance.

The entire organization has a committed group of peoples who are experts in their fields and are dedicated towards their duty in achieving company goals within time limit resulting in customer delight by providing quality products & services assuring International Standards.

Our main motto is to provide customer satisfaction in terms of Quality at a Competitive price within a stipulated time.

### VISION

To attain Global excellence by continuously developing and providing the best quality products and services. Exceeding expectations of our customers with innovative products & applications.

### MISSION

To Provide the best quality Products & Services by Maintaining a High Standard of Manufacturing, on-time delivery with Customized Products with Total Clients Satisfaction.

### QUALITY

Quality is a top priority at Steel City Home. All phases of our manufacturing process are closely monitored to ensure that each product meets our customers' high standards. The quality department ensures that quality is always at the highest level. Towards that end, we continue our philosophy of providing superior quality products and superior service, supported by innovative engineering expertise to ensure total satisfaction.

## WHY US

Some of our specialties that make us a profitable business partner for our clients are:

- » Superior quality products.
- » Timely delivery.
- » Proven execution of small as well as large batch orders.
- » A design solution to the design problem.
- » Customer-focused approach.
